

Whitechapel Primary School – Online Safety Curriculum

At Whitechapel Primary School we use **Project Evolve** to support our online safety teaching.

There are 8 strands of online that we must cover these include:

- self-image and identity
- managing online information
- online relationships
- online reputation
- health, well-being and lifestyle
- privacy and security
- online bullying
- copyright and ownership

During their time at Whitechapel, the children will cover all 8 strands in depth. The world of online safety is constantly changing, as a result, this overview is reviewed and updated regularly. Teachers may choose to teach additional online safety in line with any current online safety concerns.

	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Willow	Health, well-being and lifestyle	Health, well-being and lifestyle	Online relationships	Online bullying	Privacy and security	Managing online information
