

TERM		AUTUMN 1
		Year 1
Week 1	Theme	Place Value
	Content	Begin to recognise the place value of numbers beyond 20 (tens and ones). Read and write numbers from 1 to 20 in numerals and words.
	Vocabulary	number, units, ones, tens, exchange, digit, equal to,
Week 2	Theme	Place Value
	Content	Begin to recognise the place value of numbers beyond 20 (tens and ones). Given a number, identify one more and one less.
	Vocabulary	count (on, back, to, from), more (than), less (than),
Week 3	Theme	Measurement
	Content	Length and mass Comparing and describing measures
	Vocabulary	measure, compare, equal to, estimate, length, height, long, short, tall, longer, shorter, taller, longest, shortest, tallest, highest, metre, ruler, metre stick, weigh(s), balances, heavy, light, heavier, lighter, heaviest, lightest, balance, scales, weight, double, half

Week 4	Theme	Addition & Subtraction
	Content	Number bonds (10) Addition Read and write mathematical statements
	Vocabulary	+, add, more, plus, make, sum, total, altogether, how many more to make...? How many more is ... than ...?, -, subtract, take (away), minus, leave, how many are left/left over?, =, equals, sign, is the same as, number bond
Week 5	Theme	Addition & Subtraction Statistics
	Content	Problem solving Interpret data
	Vocabulary	Same vocabulary as last week with this additional language: count, block graph, represent, group, set, same, different, most popular, most common, least popular, least common
Week 6		ASSESS & REVIEW
Week 7	Theme	Geometry
	Content	Recognise and name 2D and 3D shape
	Vocabulary	shape, 2-D, flat, side, straight, curved, circle, triangle, square, rectangle, oblong, pentagon, hexagon, octagon, 3-D, solid, face, edge, vertex (vertices), point, flat, curved, end, cube, cuboid, pyramid, sphere, cone, cylinder

TERM		AUTUMN 2
		Year 1
Week 1	Theme	Sequencing and sorting
	Content	Recognise and create repeating patterns Odd/even numbers
	Vocabulary	pattern, sequence, repeat(ing), match, symmetrical, order, first, second, third etc., last, before, after, next, between, above, below, odd, even, table, diagram, numbers, shapes (and properties)
Week 2	Theme	Fractions
	Content	Recognise, find and name $\frac{1}{2}$ and $\frac{1}{4}$
	Vocabulary	fraction, part, equal parts, one whole, one half, two halves, one quarter, two... three... four quarters, (<i>numerator, denominator</i>)
Week 3	Theme	Capacity and volume
	Content	Compare, describe and measure (ml and l)
	Vocabulary	fraction, part, equal parts, one whole, one half, two halves, one quarter, two... three... four quarters, full, half full, empty, holds, container, measure, size, compare, guess, estimate, nearly

Week 4	Theme	Money
	Content	Recognise and know the value of coins
	Vocabulary	money, coin, note, penny, pence (p), pound (£), price, cost, buy, sell, spend, spent, pay, change, dear, costs more, cheap, costs less, cheaper, costs the same as, how much...? how many...?, total, amount, value, exchange, double, half
Week 5	Theme	Time
	Content	Sequence events Measure time
	Vocabulary	time, days of the week, months of the year, seasons, day, week, month, year, weekend, birthday, holiday, morning, afternoon, evening, night, midnight, bedtime, dinnertime, playtime, today, yesterday, tomorrow,
Week 6		ASSESS & REVIEW
Week 7	Theme	Number and place value
	Content	Reading and writing numbers
	Vocabulary	Place value, tens, ones, units, hundreds, digits

TERM		SPRING 1
		Year 1
Week 1	Theme	Number and place value
	Content	10 more 10 less Order numbers to 50
	Vocabulary	number, count (on, back, to, from), more (than), less (than), fewer, greater, most, least, units, ones, tens, hundreds, exchange, digit, equal to, estimate, guess, roughly, about the same as
Week 2	Theme	Measurements
	Content	Measure and record mass Solve problems
	Vocabulary	measure, compare, more (than), less (than), equal to, estimate, guess, roughly, about the same as, weigh(s), balances, heavy, light, heavier, lighter, heaviest, lightest, balance, scales, mass/weight, double, half
Week 3	Theme	2D/3D Shapes
	Content	Recognise and name and begin to describe properties
	Vocabulary	shape, 2-D, flat, side, straight, curved, circle, triangle, square, rectangle, oblong, pentagon, hexagon, octagon, 3-D, solid, face, edge, vertex (vertices), point, flat, curved, end, cube, cuboid, pyramid, sphere, cone, cylinder

Week 4	Theme	Counting and money
	Content	Multiples of 2,5,10 Know the value of coins
	Vocabulary	count in twos, fives, tens, multiple(s), money, coin, note, penny, pence (p), pound (£), price, cost, buy, sell, spend, spent, pay, change, dear, costs more, cheap, costs less, cheaper, costs the same as, how much...? how many...?, total, amount, value, exchange, double, half
Week 5		ASSESS & REVIEW
Week 6	Theme	Multiplication and division
	Content	Recall doubles and corresponding halves
	Vocabulary	add, addition, repeated addition, multiplication, multiply, lots of, groups of, times, double, array, row, column, rectangle, count in..., number pattern, multiple, twice, three times, four times... as long/wide/heavy/much etc. divide, division, equal sharing, subtract, subtraction, repeated subtraction, equal grouping, lots of, groups of, halve, array, row, column, rectangle, count in..., number pattern

TERM		SPRING 2
Week 1	Theme	Measurement Length/mass
	Content	Compare, describe and measure Problem solving
	Vocabulary	measure, compare, equal to, estimate, length, width, height, depth, long, short, tall, high, low, wide, narrow, deep, shallow, thick, thin, longer, shorter, taller, higher longest, shortest, tallest, highest... far, near, close, metre, ruler, metre stick, weigh(s), balances, heavy, light, heavier, lighter, heaviest, lightest, balance, scales, weight, double, half
Week 2	Theme	Addition & Subtraction Measure
	Content	Number bonds to 20 Problem solving
	Vocabulary	+, add, more, plus, make, sum, total, altogether, put together, score, double, near double, one more, two more... ten more, how many more to make...? How many more is ... than ...?, -, subtract, take (away), minus, leave, how many are left/left over?, how many have gone?, one less, two less... ten less, how many fewer is ... than ...? How much less is ...?, difference between, distance between, half, halve, =, equals, sign, is the same as
Week 3	Theme	Fraction
	Content	Recognise, find fraction of number and shape
	Vocabulary	fraction, part, equal parts, one whole, one half, two halves, one quarter, two quarters, three quarters, four quarters, (numerator, denominator)

Week 4	Theme	Position and direction
	Content	Describe position, direction and movement
	Vocabulary	position, over, under, underneath, above, below, before, after, beside, next to, opposite, apart, between, middle, edge, centre, direction, journey, left, right, up, down, forwards, backwards, across, close, far, near, along, through, to, from, towards, away from, half, quarter, three-quarter(s), turn,
Week 5		ASSESS & REVIEW
Week 6	Theme	Time
	Content	Tell the time to hour and half past
	Vocabulary	How long will it take to...?, day, hour, minute, second, clock, watch hand

TERM		SUMMER 1
		Year 1
Week 1	Theme	Number and place value
	Content	Order to 50 1 more 1 less 10 more 10 less Use correct language
	Vocabulary	number, count (on, back, to, from), more (than), less (than), fewer, greater, most, least, units, ones, tens, hundreds, exchange, digit, equal to, estimate, guess, roughly, about the same as
Week 2	Theme	Addition & subtraction (statistics)
	Content	Number bonds to 20 Present and interpret data Addition and subtraction of one digit and two digit numbers
	Vocabulary	block graph, represent, group, set, same, different, most popular, most common, least popular, least common +, add, more, plus, make, sum, total, altogether, put together, score, double, near double, one more, two more... ten more, how many more to make...? How many more is ... than ...?, -, subtract, take (away), minus,
Week 3	Theme	Capacity and volume
	Content	Compare, describe and solve problems

	Vocabulary	full, half full, empty, holds, container, measure, size, compare, guess, estimate, nearly, roughly, close to, about the same as, just over, just under, more than, less than, +, add, more, plus, make, sum, total, altogether, put together, score, double, near double, how many more to make...? How many more is ... than ...?, -, subtract, take (away), minus, leave, how many are left/left over?, how many have gone?, how many fewer is ... than ...? How much less is ...?, difference between
Week 4		ASSESS & REVIEW
Week 5	Theme	Position, direction and time
	Content	Describe movement $\frac{1}{2}$ $\frac{1}{4}$ $\frac{3}{4}$ Tell time hour and half past
	Vocabulary	position, over, under, underneath, above, below, top, bottom, side, on, in, outside, inside, around, in front, behind, front, back, before, after, beside, next to, opposite, apart, between, middle, edge, centre, direction, journey, left, right, up, down, forwards, backwards, sideways, across, close, far, near, along, through, to, from, towards, away from, half, quarter, three-quarter(s), turn, time, hour, minute, o'clock, half past, clock, watch, hands, face
Week 6	Theme	Number and place value
	Content	Place value of numbers beyond 20
	Vocabulary	number, count (on, back, to, from), more (than), less (than), fewer, greater, most, least, units, ones, tens, hundreds, exchange, digit, equal to, estimate, guess, roughly, about the same as

TERM		SUMMER 2
		Year 1
Week 1	Theme	Time
	Content	Recognise days of the week, months and years Record time
	Vocabulary	months of the year, seasons, day, week, month, year, how long will it take to...?, day, hour, minute, second, clock, watch
Week 2	Theme	Multiplication and division
	Content	Solve one step problems arrays
	Vocabulary	add, addition, repeated addition, multiplication, multiply, lots of, groups of, times, double, halve, array, row, column, rectangle, count in..., number pattern, multiple divide, division, equal sharing, equal grouping
Week 3	Theme	Subtraction (difference)
	Content	Subtract one and two digit numbers Problem solving
	Vocabulary	half, halve, =, equals, sign, is the same as, count, block graph, represent, group, set, same, different How many more to make...? How many more is ... than ...?, -, subtract, take (away), minus, leave, how many are left/left over?,

Week 4		ASSESS & REVIEW
Week 5	Theme	Measurement
	Content	Record and measure standard and non-standard measures
	Vocabulary	weigh(s), balances, heavy, light, heavier, lighter, heaviest, lightest, balance, scales, weight, double, half
Week 6	Theme	Sorting and sequencing
	Content	Odd and even numbers Sorting according to criteria
	Vocabulary	pattern, sequence, repeat(ing), match, symmetrical, order, first, second, third etc., last, before, after, next, between, above, below, odd, even, every other, sort, count in 2s, group, set, same, different, table, diagram, numbers, shapes (and properties)
Week 7	Theme	2-D & 3-D Shape
	Content	Name, recognise and describe properties of shape
	Vocabulary	shape, 2-D, flat, side, straight, curved, circle, triangle, square, rectangle, oblong, pentagon, hexagon, octagon, 3-D, solid, face (<i>NB a face is flat – a curved part of a 3-D shape should be referred to as a curved surface</i>), edge, vertex (vertices), point, flat, curved, end, cube, cuboid, pyramid, sphere, cone, cylinder, surface
