

Year group:	2	Term:	Spring 2	Theme:	Queen Victoria and the Victorian Period	
Prior learning					Cross-curricular and visits/visitors	
<u>Year 1</u> • Know that different periods of time exist • Know that we have had different rulers in the UK • Know that we have moved around the world using boats <u>Year 2</u> • Know that Mary Seacole made differences that impact on modern medicine. • Know that Queen Victoria was the queen from 1837 – 1901.					Fleetwood Museum	
					Substantive Knowledge	
• Know that Queen Victoria ruled during the Victorian Era. • Know that there was a vast contrast between the way the poor and the rich lived. • Know that cholera is a result of poor sanitation and a man called Dr John Snow tracked it to a water pump on Broad Street using a map. • Know who Isambard Kingdom Brunel is and why his engineering structures are still important today. • Know that ‘Railway Mania’ had both positive and negative impacts on Britain but the network still stands today. • Know that we continue to use Victorian methods of transport today (bikes, car, trains and trams) but in slightly different ways.					• Consider why things may change over time in relation to the sewer systems, transport and railway network. • Ask and answer questions about Victorian times. • Demonstrate awareness of the lives of significant individuals: Isambard Kingdom Brunel. • Recognise that our own lives are both similar and different to the lives of people in the past
