

Modern Foreign Languages: French

Year 5/6	Topic: Holiday activities	Term: Summer 2
Prior Knowledge	Key Topic Vocabulary	Future learning
Pupils should have an awareness of the map and be able to locate key countries in Europe and around the world, including where appropriate knowing what the capital cities are for various countries.	20 countries from around the world in French. Days of the week, months of the year and numbers from 1-31 in French to discuss dates and when to travel to a country. 10 key activities to express what we would do when we visited a particular country.	- In KS3 holidays and travel is one of the key topics at high school. - Pupils are expected to know about geography from both their humanities studies, from their language studies and from their own general travel and knowledge. - They will learn about different transport and activities and way of life in the countries they examine.
Grammar	Supplementary Vocabulary	Phonics
'Le/la/les/l' with countries and being aware French uses the definite article when we do not. 'En/au/aux' when travelling to countries to mean 'to' or 'in'.	8 weather types to state what the weather would be like in different countries in Europe and around the world.	Remembering that b, d, p, t, s and x are all silent at the end of a word in French and this has an impact on the pronunciation of countries in French.
Key Learning		
- Memorise and recall 20 different countries in French with the correct definite article. - Listen to people saying where they are going on holiday and recognise the country. - Speak about the weather in a particular country. - Read and write a diary, stating what activities you would do in different countries from Europe and the wider world.
